La Route de l'art et des artisans

Découvrez les beaux-arts et l'artisanat du Circuit du Bas Saint-Jean en longeant le fleuve

THE LOWER RIVER PASSAGE
LE CIRCUIT DU BAS SAINT-JEAN

Artistes et artisans

Tout au long du Circuit du Bas Saint-Jean, de Fredericton à Saint John, les artistes et artisans locaux créent et vendent un vaste éventail d'objets d'art uniques. Orfèvres; potiers travaillant la porcelaine ou appliquant la technique du raku; peintres de beaux-arts ou d'art folklorique; tisserands ou travailleurs du bois; joailliers et sculpteurs sur pierre – pensez à un type d'art; imaginez un style; trouvez-le ici. Le Circuit du Bas Saint-Jean offre aux visiteurs la chance de découvrir l'artisanat et l'art du Nouveau-Brunswick à travers ses boutiques, ses galeries, ses marchés et ses festivals. Faites la tournée des galeries de Fredericton et de Saint John; visitez Gagetown, un village riche en artisans; arrêtez-vous à l'un des nombreux ateliers ouverts aux visiteurs; voyez les kiosques et les expositions aux foires ou aux marchés locaux; ou laissez l'art et l'artisanat guider votre séjour. Les artisans et artistes du Circuit du Bas Saint-Jean vous accueillent; ramenez leurs œuvres avec vous en souvenir de la créativité du Nouveau-Brunswick.

The Art & Artisans Route

Discover Fine Art & Craft in the Lower River Passage along the St. John River

THE LOWER RIVER PASSAGE
LE CIRCUIT DU BAS SAINT-JEAN

Artists and Artisans

Throughout the Lower River Passage, from Fredericton to Saint John, local artists and artisans produce and market a wide range of unique objects of art. Pewter smiths and silversmiths; potters working in porcelain or in raku; painters of fine art and of folk art; weavers and workers in wood; jewelry makers and sculptors in stone — think of a medium; imagine a style; find it here. The Lower River Passage offers visitors the opportunity to experience New Brunswick craft and art through shops, galleries, markets and festivals. Gallery hop in Fredericton and Saint John; visit the artisan-rich village of Gagetown; drop in to one of the many studios open to guests; check out the books and exhibits at local fairs and markets; or plan your river trip based on art and craft. The artisans and artists of the Lower River Passage welcome you; take their work home as a reminder of New Brunswick creativity.
